

RAGA TRIAGANTARA

WEB DEVELOPER

PROFILE

Graduated from Informatics Engineering from Mercu Buana University with a keen interest in web application development. Strong problem-solving skills, quick adaptability, and working in a timely manner. In addition, I am accustomed to thinking logistically when facing technical challenges. I have expertise in web technologies such as HTML, CSS, JavaScript, PHP, and SQL. My internship experience as a Web Developer in Tanjung Duren Selatan in 2023 gave me the opportunity to hone my technical skills as well as improve my skills in web application development professionally.
